

Flagler Humane Society's
WALL OF REMEMBRANCE

Dedicated to Mr. Robert McCarthy our past Flagler County Sheriff, Flagler Humane Society Board Member, animal lover, husband, father and friend to all...

Every one of our pets has been so special to us. We understand the feelings of deep sorrow and loss that comes with their passing.

Those who have known the special love and trust of a faithful pet can understand the desire and need for a memorial to honor their life. An animal that has been your friend and has given you a lifetime of devotion deserves something special to celebrate that life.

Flagler Humane Society presents the "Wall of Remembrance". Your thoughtful donation of \$100 will leave a lasting message in honor or memory of your special pet.

Your special personal plaque will be placed on our "Wall of Remembrance" located on the Northwest corner of the building.

Every 3 X 5 plaque will allow for your pet's name and yours. You may complete the following information and return this form with payment to Flagler Humane Society 1 Shelter Drive Palm Coast, FL 32137.

Please consider these pet memorial plaques as a touching gift for others who have lost a beloved pet.

The funds collected for these plaques will be used to further Flagler Humane Society's continuing need to provide care and shelter for all animals.

IN MEMORY OF
